Military and Civil Security Energy - Power cases

Energy supply products for areas without power supplies.

From storage cases to self-sufficient solar power systems, a wide range of operating voltages, direct or alternating, can be achieved.

For example:

- + 1000W power case with a power reserve of up to 180 AH equipped with two 220 V AC 50 Hz outputs and a capacity meter.
- + 12 V DC and 5 V DC solar powered power case, using four special reinforced and sealed solar panel units and a 64 AH battery.
